Eight awards of Cdn\$3,000.00 are available to Masters and/or Doctoral students to support the research and writing of short position papers that will be presented at the Graduate Research Awards (GRA) Debates in Ottawa hosted by Foreign Affairs, Trade and Development Canada (DFATD). Awards include travel support to Ottawa (domestic transportation, accommodation, and meals) where successful candidates will be invited to present their completed position papers in the form of a debate during a special event at DFATD in February 2014. For applicants pursuing studies abroad, a limited number of Canadian international students' travel costs may be covered.

Deadline for applications:	October 15, 2012
Selection of short-listed candidates:	November 12, 2013
Deadline for position papers:	December 12, 2013
Selection of eight award recipients:	January 17, 2014

Applications must include:

- An introductory letter of interest that supports your candidacy for the GRA programme
- A writing sample (1,000 words) that addresses non-proliferation, arms control and/or disarmament issues
- Resume, including proof of citizenship status
- A complete, official transcript of your grades
- A letter of reference from your supervisor

Canadian citizens and Canadian permanent residents/landed immigrants are eligible to apply, including Canadian graduate students currently studying abroad. Previous recipients of a Graduate Research Award are eligible to apply but priority will be given to students who have not already participated in the programme in order to expand the community of Canadian scholars working on NACD issues.

Complete applications must be received by the close of business on October 15, 2013 and should be sent to Elaine Hynes at The Simons Foundation by email to: ehynes@thesimonsfoundation.ca.
