

## **Film Screening: “Never Come Back: A Year in the Life of the Roma in Canada” by Karl Neremberg and Hack Jedwab**

April 4 2012

April 8th is International Roma Day. On Wednesday April 4th we are invited to a private screening of the documentary film “Never Come Back: A Year in the Life of the Roma in Canada” produced by Karl Neremberg and associate producer Jack Jedwab for Omni Television (a division of Rogers Media).

The screening will take place on Wednesday April 4th at 12:15 PM at Concordia University’s Library Building (1400 De Maisonneuve Blvd. West), room 571-5 (fifth floor).

The film offers a human-interest portrayal of a little known, relatively new segment of our mosaic of cultures – the “Roma” or “gypsy” community.

Today, the Canadian Roma and the Roma who arrive here from Hungary and other east and central European countries are at the center of controversy arising from the federal government’s recently introduced refugee process reform. Filmed in Canada, Hungary and the Czech Republic, the film will provide valuable insight into the condition of the Roma in Canada and in Eastern and Central Europe.

In early May the film will be broadcast, in both English and Hungarian versions, on OMNI-1 Television.
